

Marion Carson Outdoor Play Space Improvements

Marion Carson School, which is located in the community of Varsity, is a vibrant and engaging part of our neighbourhood. Our school yard is quite small for the size of our school population, and we are keen to add some features to make it more 'playful'! We will be adding native shrubs and trees to provide shade and little nook for outdoor learning. We'll add boulders and obstacle course features to engage growing bodies and minds, and sensory play features that are accessible to all students. We hope to engage as many local businesses and families as possible in the creation of a welcoming outdoor space for all. The initial funds raised will be used to help us access many of the matching grants that are available for such projects. We hope to raise at least \$200 000 through our fundraising efforts.

How to Get Involved

- Consider becoming a sponsor- donations over \$20 are eligible for a tax receipt. Please see the following page for sponsorship levels. Donations are through the Calgary Parks Foundation (donation form attached) or for donations under \$500, donate online at app.etapestry.com/onlineforms/ParksFoundationCalgary/schools.html

Marion Carson School, 5225, Varsity Dr NW, Calgary
